

JCT Traffic Signal Symposium & Exhibition
Thursday 17th & Friday 18th September 2015
MOVA User Group 16th September 2015
Conference Park, University of Warwick, Coventry CV4 7AL

Thank you for booking a place at this year's Symposium & Exhibition. This document provides joining instructions and other information relating to this event and the MOVA User Group which is being held the day before the Symposium.

Location

The Symposium is being held at the Conference Park Campus of the University of Warwick. A location plan and directions to the campus are attached. Please note that complimentary car parking is provided, however you must follow the instructions below.

By Road

A map is attached with comprehensive directions for arriving by car.

By Rail

Coventry Intercity Station is on the Main West Coast Line with regular trains connecting with other major towns and cities. Trains run every half hour to London. Services to Birmingham International and Birmingham New Street are frequent throughout the day. There is a large taxi rank at Coventry Station, just four miles from the Conference Park. Alternatively, a regular bus service is also available.

By Air

Birmingham International Airport is only 20 minutes by taxi. A frequent train service operates to Coventry from Birmingham International Station, adjacent to the airport. Coventry Airport is situated at Baginton and is just 15 minutes from the Conference Park.

Car Parking

The University has a number of car parks on campus. Each car park is numbered on the attached campus plan. Car parks 7, 8, 8a, 9, 10 & 15 are available for your use. Car park 7 is probably most convenient being close to the accommodation blocks "Jack Martin" (**Building 31 on the campus plan**) and "Arthur Vick" (**3**) and close to the Arts Centre (**68**) where the symposium will take place. On arrival proceed straight to your chosen car park. **You must display a parking permit in the vehicle at all times.** A parking permit is attached. This permit is not valid for use in any other car parks. If the permit is not displayed or you park in a different car park, you will be liable for the pay on foot charges. Disabled parking spaces are available close to the entrance of main buildings. As a University campus, from time to time these car parks become full and when this happens alternative parking will be available, which you will be directed to.

Accommodation

If you have booked accommodation on campus please check in at the Conference Reception located within the Students Union Building (**63**). Rooms are available from 15:00 until 23:00. Bedrooms must be vacated by 09:30 on the day of departure and keys must be returned to the Conference Reception, Rootes Restaurant or the boxes situated in the entrance halls of each residence, otherwise you will be charged £10 + vat for any lost cards. Your room will have tea and coffee making facilities, free internet access and towels and toiletries will be supplied. Reception staff will be on hand in the Conference Reception within the Students Union Building (**63**) between 07:00 and 23:00 and you can contact reception by dialling extension *22280 or directly on 024 7652 2280.
