

LinSig3.1 User Group

Wednesday 15th February 2012

Belfast - Days Hotel

Duration: 0.5 days

Price: FREE

Who Should Attend

Anyone who has used or are interested in using LinSig3 are welcome.

Course Content

The purpose of the User Group is to:

- To allow users to be brought up to date with the current version of LinSig and its capabilities, and to advise on the major improvements available .
- To allow users to provide feedback to JCT on their experience of using the software.
- To provide users with an overview of likely future developments in LinSig and to provide input as to which features they would find most desirable.
- To answer any technical questions users may have in the time available.
- To receive feedback from users on their experiences using LinSig Software Support.
- To explain the training courses available for LinSig and to discuss with users whether these meet their needs, and any suggestions for future training courses.
- Allowing potential purchasers to get an overview and to meet existing LinSig users.

The event is FREE of charge to attend but numbers are limited and will be allocated on a first come first served basis. You must therefore please PRE-BOOK.
